THE "ROCHESTER" LAMP.

Never needs trimming; never breaks chiuncys; perfectly safe; gives a pure and steady light of 65 candle power. Give it a fair trial. "It is the best and cheapest lamp, all things considered, that I ever had." Don't take any "just as good," but sold at less price; but get the genuine article. The No. 10 Mammoth, 300 candle power, is absolutely without a rival. A marvelous light for stores, halls, churches, factories, etc.; costs less than one cent per hour. Our store is lighted with the "Rochester," and we invite you to call some evening and see what a marvelous light we have.
